

Klipot Nogah #1

A new podcast from Tohu (in Hebrew). Listen to Eitan Ben Moshe conversing in each installment with a different interesting personality on matters spiritual and cultural.

“Life is a reflection of a very unruly creator” - in the first installment’ Eitan ben Moshe talks with Shai Tubali - writer, thinker, spiritual teacher, lecturer, and director. His teachings and his books combine popular psychology with Eastern and Western philosophies. Since 2012 he has been living and teaching in Berlin, where he founded a learning and treatment center dedicated to his methods.
